(Or mail to address on Application)

### MN Hockey Background Screening

Complete Annual Background Screening. (Now an Online Form)  
Screening is Mandatory for all Head & Assistant Coaches, Managers and Locker Room Attendants.  
Click on: [Online Screening Form](#)  
Log in, or create log in  
Complete forms and submit  
Email Screening Confirmation to ERYHA Registrar: [karin.hendrickson@medica.com](mailto:karin.hendrickson@medica.com)

### CEP Certification

Hold a USA Hockey CEP Level 1-5 Coaching Certification valid thru **12/31/12**.

[Check your Certification & Print Record](#)

[Locate & Register for CEP Coaching Clinics](#)

***\*New coaches** must take a Level 1 class and only a Level 1 class regardless of the age level they are coaching. **CEP Levels are no longer associated with the age level they are coaching**, rather number of years they have been coaching. Coaches may only take one CEP class per year. No more taking Level 1, 2, and 3 for new coaches to coach Peewee or Bantam!*

***\*Coaches with expiring certification** (12/31/11) must take the next class in the progression.*

***\*Coaches with current certification** (Expire 12/31/12) **DO NOT need a CEP Class this season.***

[Check CEP Certification Status Here](#) Your personal CEP Certification Status will be listed.

### Register with USA Hockey

[Click Here to Register as a Coach](#) with USA Hockey (Cost \$40)

Forward USAH Registration Confirmation to ERYHA Registrar: [karin.hendrickson@medica.com](mailto:karin.hendrickson@medica.com)  
(ERYHA rostered coaches will be reimbursed the \$40 fee)

### Online Age-Specific Module(s)

Complete the age-specific online training for **ALL LEVELS** you will be coaching (Cost \$10 - not reimbursed).  
Coaches must be registered with USA Hockey to enroll in the modules [Click Here to Enroll](#).  
Do not forward your completion certificate to anyone at ERYHA; these records are tracked by USA Hockey.

***\*Every Coach must take an online module specific to ALL AGES they are coaching.** These modules cost \$10, take 5-6 hours to complete, coaches have 30 days to finish once started. The online modules are the **only certification tied to the age level** the coach is working with!*

### Minnesota Concussion Training Requirements

The Online Age-Specific Modules include all required Concussion Training for Coaches. The training included satisfies the Minnesota Law requiring all Youth Sports Coaches to receive concussion injury training.  
For further concussion information & training, the Centers for Disease Control (CDC) offer excellent information and online training at no cost. [CDC Concussion Training For Coaches](#)
